General data processing information

Data concerned: Supplier data

Personal data is only collected if you provide us with it voluntarily. Beyond that, no personal data is collected. Any processing of your personal data beyond the scope of the statutory provisions will only be carried out on the basis of your express consent.

Processing purpose: Contract execution.

Categories of recipients: Public authorities in the presence of priority legislation.
External service providers or other contractors.
Other external bodies provided that the data subject has given his or her consent or that transmission is permissible for reasons of overriding interest.

Transfers to third countries: In the context of contract implementation, contract processors outside the European Union may also be used.

Duration of data storage: The duration of the data storage depends on the legal storage obligations and is usually 10 years.

Further information and contacts

In addition, you may at any time exercise your rights of rectification or erasure or limitation of processing or exercise your right to object to processing and your right to data transferability. Here you will find the possibility to contact us by e-mail or letter <https://www.stieberclutch.com/contact/contact-persons> You also have the right to contact the data protection supervisory authority in the event of complaints.
